

Errington Hundred
Ringmore Parish

September the 26th 1683

A presentment by the consent of the minister
the constables and churchwardens of the aforesaid
parish

1. We do present John Stidston for three Sundays for not coming to Church Sundays nor other days as are appointed for divine service as for popish reticence or absentees from Church for divine service we have no such
2. We know none but have received the sacrament for the last year as for open words or rhymes declared or spoken contestined in books of common prayer we have no such
3. As for nonconformist preachers or any that do preach or teach in conventicles or in their houses no such within the parish
4. As for profane swearers and cursers and alehouse haunters or lewd persons no such within the parish
5. We have enquired what order the alehouse keepers do keep within the parish good order no cards no dice to be used
6. The number of alehouses are two and we do think no more necessary their persons well qualified by they repair to the Church every Sunday
7. We have received two warrants for John Stidston but for distress there can be none taken: and one warrant for nonconformist preachers of which we have none within the parish nor none that do frequent the parish
