ALL HALLOWS CHURCH - RINGMORE
Churchyard - Provision of Burial Plots

We are in the position of needing to provide burial plots as we have only 2 remaining spaces. There is no suitable land for purchase available nearby and we shall shortly have no burial plots left.

The Rev. Preb. P. Stevens visited the churchyard in July to discuss what options were open to us. His advice was to reuse the space as outlined on the attached drawing as with the exception of 1 headstone, dating to 1984 which will be left in situ, the remaining stones date to over 100 years old.

The proposal is to remove 32 stones - Ringmore requires 2/3 spaces a year - so this would provide approximately space for 10 years. Preb. Stevens recommendation being that the old headstones be removed and resited within the churchyard boundary with space to strim behind.

Preb. Stevens has consulted with the Archdeacon on this proposal.

There are no known relatives of families whose stones would be affected living in the village; a notice will be placed in the village newsletter for October.

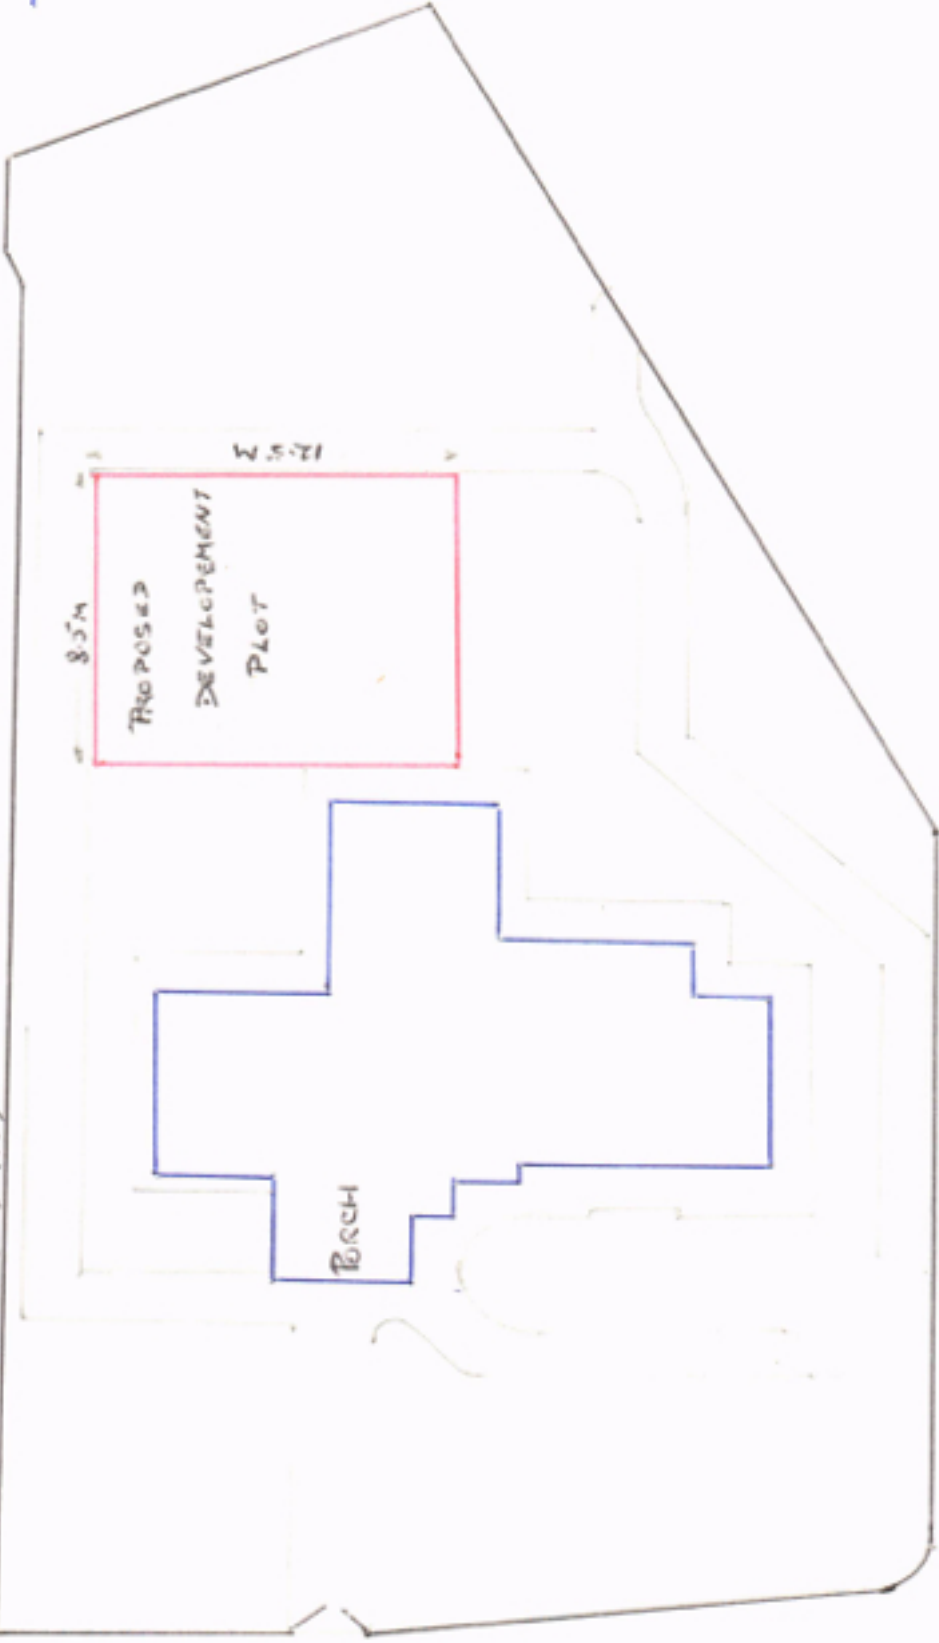

The Diocesan Registry have recommended notices be placed in 2 local newspapers at the same time as the citation is placed on the church.

The P.C.C. expects to fund this work from existing monies in hand.

The local planning authority have been advised and their comments are awaited.
