## TENANTS IN 1860 AT TIME OF SALE (I take it that this refers to the Manor)

Property	Tenant	Length of tenure	Acreage	Rental	Land Tax <i>£ s d</i>
Lower Farm	John Crimp	16 years	209a.3po.6p	£346.5.0	£17.0.10½
Middle Farm	George Kelly	"	37 0 8	£70	£ 2.16.0
Higher Farm	Peter Randle	"	125 3 1	£204	£10.2. 0
Cottage Farm	Robert Randle	"	31 0 15	£73.14	£ 2 .8. 8 ½
Mill Hills Farm	James Coker	"	6 2 4	£12	£0. 9. 3
Marwell Farm	Gilbert Taylor	"	118 0 30	£180	£9. 7. 3
Three Lime Kilns	Mr.Hoopell	99 years*	5 0	(value £10)	
Messrs Andrew	Lease of March 1855			£ 2	
Mrs.Randle		99 years +		£0 7 6	

The three measurements in first column are of acres, rods and perches.

The \* against the Lime Kiln lease indicates that these were on the beach at Challaborough and intriguingly an entry 'death of person aged 40) and the + against the Mrs. Randle tenure has 'death of person aged 66. Perhaps these indicate happenings between the entries and the finalisation of sale....Any other ideas ?
