Subject St. Mary's Well	Measurements (Sketch with scale overleaf if possible) 5'10 high X 5'3 wide		
Description , history, field notes and other information. (Please fill in a separate sheet for each separate item) <p>St Mary's Well is a roadside well, from which the hamlet of Marwell takes its name. It is built into the eastern bank of County Road No.252.</p> <p>It has a stone well-head, measuring 5'10" in height and 5'3" in width. This has an opening, closed by a wooden door, which measures 3'2" in height and 2'0" in width.</p> <p>The Rev.Herbert Hingeston-Randolph described this well-head as follows:-</p> <p>"The building over St. Mary's Well was erected by my father and is an imitation of one of the old Cornish wells, St. Minver I think. The little bit of ornamental stone-work, which adorns the arch, was found under the paving of the Church, during the restoration of 1861."</p>		Reference for each piece of information	Date of each entry 1991
