**JUNE 2008**

**Issue Number : 274    Deadline : 9am Wednesday 25th June**

June is the sixth month of the year in the Gregorian calendar, with a length of 30 days. The month is named after the Roman Goddess Juno, wife of Jupiter and equivalent to the Greek Goddess Hera.

At the start of June, the sun rises in the constellation of Taurus; at the end of June, the sun rises in the constellation of Gemini. However, due to the precession of the equinoxes, June begins with the sun in the astrological sign of Gemini, and ends with the sun in the astrological sign of Cancer. June is the month with the longest daylight hours of the year in the Northern Hemisphere and the shortest daylight hours of the year in the Southern Hemisphere.

June in the Northern Hemisphere is the seasonal equivalent to December in the Southern Hemisphere and vice versa. The month of June—in the Northern Hemisphere—is in Spring until the 21st, when Summer begins. The traditional June birthstone is the pearl. The June birth flower is the rose, or the honeysuckle, as roses and honeysuckles bloom throughout June. June is also sometimes called the "Rose month."

June is known for the large amount of marriages that occur over the course of the month. This large quantity of marriages can be attributed to the Goddess that June is named after, Juno or Hera. Juno is the protecting goddess of marriage and a married couple's household, so it is considered good luck to be married in this month.

### **BULK OIL PURCHASE SCHEME**

As a result of the Parish Plan a bulk purchase oil scheme is being looked into. Homeowners will be contacted shortly to establish if they would like to join a scheme and hopefully enjoy reduced oil prices, at the same time reducing the amount of lorries having to travel on our narrow lanes.

#### Hatched, Matched and Despatched

A trite summary of why, and when, many people come to Church. Even if they never come on Sundays many come for Christenings, Weddings and Funerals to 'Hatched, Matched and Despatched' ceremonies. There has been a high level of activity in all three during the first half of this year, with banns taking almost as long as the first hymn recently. As one cynic said 'for two of those services you are carried in, and the other you are dragged in', and whilst for the first two the Minister has a chance to preach God's love, by the time the third comes around it is a bit too late for the main character to find it.

We see good things in Christenings especially when, like Olivia Worthington at Bigbury on Pentecost Sunday, there is a responsive smile and nod of agreement as the words to cast the devil out and let God in to her life were prayed. We see good things in both Marriage Ceremonies and the preparation. Too many lovely couples to mention, who have been a blessing in their obvious love, and also in their commitment to seek God's help to make their togetherness life long, and the romance flame continuous in their relationship. ??

It is also incredible how inspiring the work involved in a funeral can be. There is not much sadder than a lonely minister and funeral director's staff at a deserted crematorium, but even this underlines the need for loving relationships and the promotion of family care and love. So of course there is something amazing and life-affirming about the funeral of a loved family member in Church. At times a huge encouragement, as when Mandy Mitchell sat comforting Barbara her Mum, whilst her brothers spoke out the good things about the life of their Dad. It was heart-warming to say the least. The loving relationships across their generations showed family at best with grandchildren sad, yet later with happy smiles as they remembered their Gramps, and they looked on with puzzled but accepting smiles as widow and daughter-in-law burst into laughter as the chimney sweep rolled up to park at the crematorium door.

In all our villages there is a strong desire for the Church to remain as a focal point; not just for these three rites of passage in life, but as a Community Centre. This is a challenge for both those involved within, and a challenge for those who only come in when carried or dragged. A national paper is running a campaign by the architect Sir Roy Strong to preserve churches, and he suggests that 'the key to saving our church buildings is to adapt them to wider community use'. He also says that many people never worship in a church- but they sure know how to kill one off as he closes his article with 'Please stop framing our churches with sentimental tinsel. It is preventing them from moving on and making a new life. They've had to change dramatically twice in their histories already, in the Tudor age and the Victorian era. If they are prevented from changing in the 21<sup>st</sup> Century they will be effectively killed off.'

Just had to write to your Newsletter  
On the "doggy" front, it can get better  
Fantastic things, I have found  
The cost of which, is just over a pound

At Pickles in Modbury  
Degradable bags, for "doggy" and me!  
So if you don't want, to take it home  
Carefully placed, it will become a loam

Had dogs all my life  
And dog poo hasn't caused me any strife  
But I do agree, there is more about  
So I understand why people shout

If we all picked up and placed well under a hedge  
Life would be pleasant and a lot less said  
So come on dog owners  
Pick up your poo, so others don't tread in your "doggy doo"!

Regarding horses; I can't see the point?  
Not easy when you are out for a jaunt  
If your horse decides to use the loo  
What is a rider supposed to do?

If while removing, the hose takes fright  
And shoots off at the double, it could all end in trouble!  
So this comment about horse poo  
Is all very futile, in my view

Sandra Waterfall Bigbury on Sea!

Oh what a "to-do" bout doggy poo,  
With doggy poo what are we to do,  
I think the solution's a doggy loo,  
Or if funds allow the provision of two,  
One for the dogs and one for the bitches,  
And for older canines, waterproof breaches!

My wife and I were sitting at a table at my  
high school reunion and I kept staring at a  
drunken woman swigging her drink, as she  
sat alone at a nearby table.

My wife asks, 'Do you know her?'

'Yes,' I sighed. 'She's my old girlfriend. I  
understand she started drinking right after  
we split up those many years ago and I hear  
she hasn't been sober since.'

'My God!' says my wife. 'Who would think a  
person could go on celebrating that long?'

So you see, there really are two ways to look  
at everything...

Parish Roads - Nothing to report in the absence of Cllr.Carson. Item to be placed on the agenda for the next meeting.

ITEMS CARRIED FORWARD

First Response Team - Mrs.Hammond has been in touch with Ian Knight from the South West Ambulance Authority who is willing to send a paramedic to train 6 - 8 volunteers on how to use a defibrillator. After discussion parish council agreed that this was a good idea and will help fund the purchase of a fully automatic defibrillator at a cost of £1345.00 plus V.A.T. Some grants are available and the Clerk will contact Mr.Mumford to see if money can be made available from the County Committee Locality Budget for 2008/2009. SHDC Election Costs £151.22

J.Parkin £22.12 for Annual Meeting Refreshments.

£450 Church of all Hallows donation towards the upkeep of the Churchyard.

UNITARY AUTHORITIES

This item was discussed in detail. The view of the Parish Council was to retain the present status quo. Failing this out of the three boundary options proposed the most favourable would be the Rural South Devon and Dartmoor option thereby making five unitary authorities for Devon. The least favourable would be the enlarging the existing unitary authorities of Plymouth and Torbay to encompass the South Hams between them. The Modbury Town Clerk suggested that a cluster meeting of local councils would put forward a stronger point of view to the boundary commission than individual councils. It was agreed that the Chairman will draft a letter to the boundary commission stating our views, and will also liase with Modbury.

ANY OTHER BUSINESS

Cllr. Parkin asked why there was no agenda or list of speakers for the Annual Meeting. His comments were noted and action will be taken in future.

Emily Bohnet, due to work and family commitments wished to stand down as editor of the newsletter. She will be happy to continue until someone else is appointed.

Improvements to the Journeys End car park: The Parish Council was given to funding half the costs of improving the appearance of the boundary wall. Item to be placed on the agenda for next meeting.

DATE OF NEXT MEETING JUNE 17TH

If you are passing Barnford paddock (opposite the WI Hall) on Saturday afternoon or Sunday morning, do stop and chat and inspect these most unusual cars many of which many were made over 80 years ago. From around 10.30 on Sunday morning, the cars will set off on a short run ending at Kingston. Further details can be had from Christopher on 01548-810253.

Special thanks are due to Adrian and Judy Bull for agreeing to let use their paddock.

Hello everyone! I wonder if you could help please? It was announced yesterday that Gill Boyce, the Mobile Librarian on South Hams Mobile, has reached the final of the Local Government Employee of the year. There are a number of categories and Gill's nomination is in the category for "Care and Commitment". Anyone who uses the Mobile Library know how well Gill fits into this category and how much she deserves to win, firstly for her own sake (she does her job brilliantly!) but also as a representative of the library service and of the County of Devon. This is a national award and Gill is competing against people from across the country. She needs your votes! Voting can be done online by going to <http://www.localgovernmentchannel.com/awards/>, but this doesn't suit everyone, as we well know. So we've got voting slips that can be filled in on the mobile library and at your local library. We are also hoping to get them into some local shops and Post Offices. Voting closes on 20th June,

Many thanks  
Wendy Bloomer

## News from All Hallows

### **Help Wanted**

If you have any spare time and could give a couple of hours or so you would be most welcome to a Churchyard tidy up working party to be held on Monday 2<sup>nd</sup> June at 10 o'clock. If it is wet on the 2<sup>nd</sup> we will try again on Wednesday 4<sup>th</sup> June at 1 o'clock. Alan McCarthy has kindly volunteered his trailer to transport the organic rubbish away to Dennis Collinson's farm. I am grateful to Dennis allowing us to dispose of the rubbish at his place. All that is required now is for some help in carrying out the tasks which include cutting the boundary hedges and walls, trimming the stumps of trees that were cut down a few years ago so that they don't get out of control together with a general tidy up of the Church yard. It would also be appreciated if you could bring your own tools but some can be provided. If you need further information then please ring me on 810547.

Many thanks, Phill Errett

### **Good Luck Dane**

On Sunday 15<sup>th</sup> June Dane is attempting the IRONMAN 70.3 at Wimbleball Lake Exmoor. This event comprises a 1.2 mile swim, 56 mile bike ride and concludes with a 13.1 mile run. Dane is putting himself through this arduous, some may say fool hardy, event to raise funds through sponsorship for the Childrens Hospice SW and the Bigbury Fun Run. Dane, and of course Hilary, do so much for our village, and other local communities, such as delivering the papers etc to the church for collection every day as well as greatly supporting our village functions. All Hallows wish Dane the very best of luck and fortitude in his participation of the IRONMAN 70.3 event especially as he has been suffering from a virus over the last couple of weeks.

GO FOR IT DANE - THE VERY BEST OF LUCK

Phill Errett

## ALL HALLOWS ANNUAL FETE

This year's **Fete** will be held on the Church House field, **Bank Holiday Monday 25<sup>th</sup> August at 2.30pm**. This is a fun day, enjoyed hopefully by all in the Village, and once again we are seeking help in organising, arranging and staging this very popular Village event. The field & marquees are booked and the Mint Julip Band are going to play, we just need your help to make it another successful afternoon.

To enable the **Fete** to go ahead we are proposing an open meeting and anyone who is willing to give assistance prior to and/or on the day is very welcome to attend. The **meeting** will be held in the **Parish Room on Monday 16<sup>th</sup> June at 7.30pm**.

We would be delighted to see anyone who is keen to lend a hand or have any exciting new ideas (particularly newcomers to the Village) to come to the meeting. So why not come along to hear the Fete plans washed down with a glass of wine or orange juice. If for any reason you are unable to attend, but would still like to offer assistance in any way then please give me a ring.

Many Thanks

## May meeting

The May meeting was the annual "Resolutions" meeting, where, together with the other Institutes, we considered the proposed resolutions which will be debated at the National Federation meeting AGM this summer.

### Don't forget our BBQ!!

People sometimes assume that the profits on our meetings all go into our own kitty. Not so with the annual barbecue! All the profits go to our "charity of the year", which this year is the Dame Hannah Rogers School for handicapped children. Based in Ivybridge, it is very much a local charity, and we hope you will come along and give this fund-raising event your full support. The barbecue is on Thursday 12<sup>th</sup> June at 6.30 p.m. (please note the earlier time), and we look forward to seeing you there. Entry is £4.50 (£2.50 for children), and this includes as much food as you can eat (with cheese and cake as well as the usual Barbie items) and your first glass of wine/soft drink.

### Annual Outing to Lanhydrock

Lanhydrock House is an architectural gem, largely Victorian, but dating back to the early 17<sup>th</sup> century, and is the destination for our annual outing on Wednesday 9<sup>th</sup> July. We will be going by car, leaving Ringmore at 10 am and returning at 5 p.m. Please give Jackie a ring on 810520 and she will ensure that you have transport for this popular event. Entry to the House is £8 (free to National Trust members); transport costs are at the driver's discretion.

## NEIGHBOURHOOD WATCH NOTICE

Those who use heating oil have become very aware of the drastic increase in the cost over the past few months. Unfortunately so have the criminal element. There have been some incidents of theft of heating oil in Cornwall, and it is unlikely that Devon will escape attention. There are reports that a small tanker may have been used, or a pick up truck with a tank in the back. So far the thefts have been from isolated properties where it is easier to avoid detection, but do be aware of the risk and take what precautions you can. If you see anything suspicious contact the Police on 0875 777444 or 08452 777444.

Barry Old, Neighbourhood Watch Coordinator

## CONGRATULATIONS

### RSPCA Stories

Hello, I am Sean Jones and I live in the Coastguard Cottages Chalfaborough with Sharon (the wife), Arthur (the Jack Russel) 3 cats and 4 tortoises.

I spent 10 years in the RSPCA and many people recently have suggested that I share some of my stories. As a little bit of a background I spent 7 months away from home in Horsham training as an RSPCA inspector. The training was quite tough and included slaughtering cattle and chickens, abseiling and ladder training (I hate heights) boat training and copious amounts of theory, legislation and exams. It was well worth it though even after my first posting to Wolverhampton, a far cry from Plympton!

Over the next few months I will share some scary, emotional and funny stories with you, including my many injuries and hospital visits and other scary experiences. Just as a taster - next month I will describe the time I was in a lift with a Staffy cross English Bull Terrier who turned on me after I refused to let it 'mate' with my leg! - more details next month

Sean

This is a strictly mathematical viewpoint...  
it goes like this:

What Makes 100%? What does it mean to give MORE than 100%? Ever wonder about those people who say they are giving more than 100%? We have all been to those meetings where someone wants you to give over 100%. How about achieving 103%? What makes up 100% in life?

Here's a little mathematical formula that might help you answer these questions:

If:  
A B C D E F G H I J K L M N O  
P Q R S T U V W X Y Z

is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15  
16 17 18 19 20 21 22 23 24 25 26.

Then:

H-A-R-D-W-O-R-K

$8+1+18+4+23+15+18+11 = 98\%$

and

K-N-O-W-L-E-D-G-E

$11+14+15+23+12+5+4+7+5 = 96\%$

But,

A-T-T-I-T-U-D-E

$1+20+20+9+20+21+4+5 = 100\%$

And,

B-U-L-L-S-H-I-T

$2+21+12+12+19+8+9+20 = 103\%$

AND, look how far ass kissing will take you.

A-S-S-K-I-S-S-I-N-G

$1+19+19+11+9+19+19+9+14+7 = 118\%$

So, one can conclude with mathematical certainty that While Hard work and Knowledge will get you close, and Attitude will get you there, it's the Bullshit and Ass kissing that will put you over the top.

A collection box contains £13.97.  
It is made up of four different denominations of coins and the largest denomination is £1.  
There is exactly the same number of each coin.  
How many of each coin is there and what are their values?

Answer: 11 of each of £1, 20p, 5p and 2p.

Claire lives with Dave in Ilford and studies Law.  
Lesley lives with Jay in Leeds and studies Economics.  
Imogen lives with Glenn in Glasgow and studies Mathematics.  
Is it Sabina or Isobel who lives with Paul, in Birmingham and studies Sociology?

Answer: Isobel. The last letter of the girl's name matches the last letter of her partner's name. The fourth letter of the girl's name matches the initial of the place and the second letter of the girl's name matches the subject.

June? Already?
