## JUNE MEETING

### SUMMER MEAL

We had our fingers crossed! The weather forecast was not good but "Ringmore weather " rose to the occasion. The sun shone, the wind dropped, and the Summer Meal was a great success. As usual the food was a delight, salmon, turkey, beef, with delicious salads. The puddings also were scrummy! The raffle was in the capable hands of Margaret and Bob Wood. All thanks to Sally Erret who co-ordinated the event. Let us hope we have an excellent event next year.

The July meeting will be held at the WI hall on 14<sup>th</sup> July at 7.45pm. when Rosemary Piercy will be demonstrating "PAINTING ON CHINA" Bring your overall, Rosemary might ask us to take part, you never know! As usual EVERYONE IS WELCOME!

Now the summer (???) is here we shall be holding the CREAM TEAS in the WI HALL & GARDEN from the end of July through August, so bring your friends and relations to a delicious treat! Look out for the posters for more details.

#### **Neighbourhood Watch Notice**

Several people in the village have been getting unwanted phone calls from sales people, some of which are clearly from outside the UK.

Occasionally the caller has been very persistent and sometimes aggressive.

If you have not already done so you can sign up for the Telephone Preference Service 0845 070 0707 or [www.tpsonline.org.uk](http://www.tpsonline.org.uk). This should stop most of the cold calling double glazing and other companies from contacting you, but it does not stop calls from overseas. The best way to deal with these is to put the phone down when you realise it is not a call you want. Some people get distressed by such calls, but you don't have to listen to them.

Most of the bank scams are on the internet, and should never be responded to.

Your bank has no need to ask for your details, they already have them. If you get a call purporting to be from your bank, ring the bank to inform them.

Dear Friends,

We have a new Team Vicar (nearly), but I believe it is really going to happen!

Revd Lesley Valiant and her husband Terry are moving from the New Forest area into the Vicarage in Loddiswell at the end of this month. Lesley will not be licensed (authorised to take services etc) until the beginning of September when Bishop Michael will be coming to take the service. At the licensing, Lesley will be made Team Vicar of all the churches in the Team, just as I am Team Rector of Aveton Gifford, Bigbury, East Allington, Kingston, Loddiswell, Modbury, Ringmore and Woodleigh. So we will all share her ministry.

I have asked Lesley to write the "Minister's letter" for the magazines in August, so I will let her tell her own story.

I am looking forward to having two new companions in ministry. (Terry Valiant is a Lay Reader). A "companion" is literally someone you share bread with and in Holy Communion and feeding on God's word the Bible, we do just that. It is encouraging to have others walking alongside in the journey of faith; we are not expected to do it on our own, solo. We are a team in which many different gifts are dedicated to the service of God in ordained and lay ministry. Everyone in church is on the team: there are no reserves and those who may start off as supporters, soon find that they are players.

As we welcome Lesley and Terry, there will be changes and new opportunities as each of us finds our place the service of God. Teamwork is what makes the team work.

THE ROYAL BRITISH  
LEGION

### Bigbury, Ringmore & Kingston Branch Royal British Legion

Although the Branch is currently in the middle of its summer break, our fund raising activities have not been idle. As some will know, the Royal British Legion celebrated its 90<sup>th</sup> anniversary on 15<sup>th</sup> May 2011. To mark this occasion our Poppy Appeal organiser, Tony Walters, arranged a celebratory party in its honour at his house in Kingston on June 11<sup>th</sup> 2011. The day started with Cream Teas on a lovely summer afternoon with friends and guests from far and wide. Live music was on offer from some very talented musicians of which our lucky 3 Parishes have an abundance. A Hog Roast & BBQ, a Death Slide and an outdoor hot tub was also there. A raffle and a mini auction of one of the life rings from HMS Ark Royal also took place which all went to boost our contribution to the Poppy Appeal.

The space available here prohibits the naming of everyone who contributed time, effort, prizes and of course turning up to support us on the day, which made such a memorable and successful occasion. However, to all of you who did, we thank you from the bottom of our hearts. The big thank you of course must go to Carol and Tony Walters for hosting this event and for the many months of preparation they took doing so.

How much did we raise? Well it was a staggering £2176 which when added to our Poppy Appeal Fund for this year so far, we have raised £9427.04.

Preparations are well underway with regard to future fund raising activities and our annual auction has already attracted some very interesting donations to bid on.

Dates for your diaries are as follows:

- Film Show – 19:00, Sat 22<sup>nd</sup> October 2011 at Bigbury Memorial Hall
- Coffee Morning – 10:00, Sat 29<sup>th</sup> October 2011 at Kingston Reading Room
- Auction – 19:00, Fri 11<sup>th</sup> November 2011 at The Journey's End Ringmore

We will of course give more details of these events closer to the time.

Our Branch is always looking for new members. It is not as it used to be, that you have to be ex-service to join. We welcome men and women of all ages, whether they have served in the Armed Forces or not. If you feel that you would like to join in and help support ex and serving members of our Armed Forces and their relatives we would be more than happy to welcome you into the fold.

Our next monthly meeting, after the summer break, is Wednesday 7<sup>th</sup> September 2011, the Journeys End, Ringmore at 19:00.

If you have any questions about our Branch or the Royal British Legion as a whole please contact the branch secretary, Mark Bolam on 01548 810766.

## Parish Room Update

The Parish Room roof has now been renovated to stop the ingress of water and improve thermal insulation. Thanks to MJ & JA Pitts' top team of Tom and Sam, the work was completed during our brief spell of sunny weather. When the walls are painted, this phase of the work will be finished and we start saving for the next improvements. To improve use of the hall the storage shed has been rebuilt and now houses the tables and chairs.

The money for the re-roofing was split 50/50 from fund raising and a grant from the South Devon Coastal Local Action Group who use money from the EU, DEFRA, South West RDA and South Hams Council. Our fund raising included monies from the Sustainable Community Locality Fund of South Hams District Council facilitated by District Councillor Bryan Carson and Devon County Council's Locality Budget Award arranged by Councillor William Mumford. Our thanks go to these sources together with all the people locally who have contributed generously in so many ways. Collection boxes are still coming in for which we are very grateful.

To raise the funds needed for further work we are holding a table sale on Saturday 13 August between 11am and 2pm. Tables cost £5 and as the area is limited, reserve yours early by calling Alan on 810738.

In February we will be holding another quiz and a film show will be arranged earlyish next year – date to be advertised.

Calendars are in hand and will be available soon. They make great Christmas presents so why not buy them early.

The wall adjacent to the Parish Room has become overgrown with ivy which we will be clearing on Saturday 9 July at 9.30ish when the Committee would be very grateful for your help. Please bring secateurs or other cutting devices. Look forward to seeing you.

## HISTORICAL SOCIETY

19 members took part in the Society's summer outing to Torre Abbey on 8 June, a beautiful sunny day. The Abbey is spectacularly sited on the sea front in Torbay. It was established in 1196 as a Christian Monastery (the monks certainly knew how to pick their sites), and became one of the wealthiest in the country. Henry VIII ordered the demolition of the church section in the 1530s, and the remainder was converted to a private house, which became home to the Cary family until the 1930s, when it was sold to the local council.

It is a great warren of a place, and also houses a large art collection which features many well-known artists. We were given a detailed guided tour (some of us, yearning for our lunch, found it a touch over-detailed), followed by lunch in the restaurant.

We then wandered around the lovely gardens and magnificent glass house which have been established behind the Abbey within the walls of the demolished church.

If you haven't been, I think we would all say that it's well worth a trip, and certainly gave us a very enjoyable day out.

OPEN SESSION

Mrs.J.Stevenson asked the council if they had been consulted by Bigbury Parish Council in regard to their initiative for affordable housing at St. Ann's Chapel.

The Chairman said that they had not been consulted and Mr.B.Carson stated that it did not affect Ringmore therefore we were not informed. Mrs.Stevenson stated that an article in Gazette showed that plots of land were for sale which bordered upon Ringmore. Council and Mr.Carson could not comment on this and suggested that anybody could attend the consultation meeting on the 22<sup>nd</sup> June at 7.00pm where all details would be explained and questions would be answered. To follow on from this meeting there will be a community workshop on Wednesday 6<sup>th</sup> July at 12.15pm

MINUTES OF MAY MEETING - Signed as correct.

MATTERS ARISING

Darkie Lane - Nothing to report in the absence of Cllr.Deverson.

Rocky Path - The Chairman will continue his contact with Mr.W.Mumford.

Parish Council's New Project - After further discussion the project of making the area around the bus shelter a feature was considered to be a good idea. However, the Chairman stated that this should not be just a Parish Council decision but should involve parishioners and their suggestions. An appendix will be prepared to be added to the next newsletter. An earlier suggestion was to produce a booklet showing all the footpaths in the parish, this may now happen.

B.CARSON

Mr.Carson gave a brief resume of changes that have been made in the make up of South Hams District Council in the attempt to save costs. There will be more liaison with Town and Parish Council's to work more as a partnership. The shared services with West Devon are resulting in huge savings.

ENVIRONMENTAL MATTERS

The public footpath at the end of Cockle Lane is overgrown and Cllr.Lambell will attend to this matter.

The National Trust continues to maintain their footpaths.

Clerks salary & Expenses.

ANY OTHER BUSINESS

Cllr.Parkin once again stated that dog fouling is still a major issue in our parish even though notices have been placed in the worst affected areas and items placed in the newsletter. Council have asked Mr.Carson to enquire whether South Hams District Council would empty dog bins if purchased by the parish council. Item to be placed on the agenda for the next meeting.

The Clerk was asked to obtain a list of Neighbourhood Watch co-ordinators from Barry Old.

Permissive Footpath Opening - 2<sup>nd</sup> July 11.00am - 11.45am refreshments at Holywell Stores - 12.15pm return. Cllr.Carson is making enquiries as to whether a white line may be put on the narrow stretch of road leading up to the start of the footpath. Council agreed that this was a good idea.

The Chairman reported that he would be attending a Super Cluster Meeting on the 13<sup>th</sup> July.

Parish Council are still looking to co-opt a new member.

DATE OF NEXT MEETING TUESDAY 19<sup>TH</sup> JULY.

## NATIONAL TRUST

As spring turns into summer, and the grasses turn golden in the summer sunshine, the Ranger team are busier than ever managing the south Devon coastline. With the opening of a new footpath, national farm open days and general maintenance to be carried out there is lots to be done.

On Sunday the 12 June it was Open Farm Day. This is a national event whereby farmers open their gates to the public. For the second year running Wilf Walters of Scobbiscombe farm took part, and although the weather was rather miserable, it was the perfect opportunity to unveil the new permissive footpath out towards Hoist Point. A couple of dedicated locals joined us to open and be the first to walk the new footpath. It was a great opportunity to meet the local community, and to see their fondness of the countryside.

The team have also been busy making preparations for the summer season as it is one of our busiest times of the year. Our events programme really kicks off; with overnight wild camping, canoeing on the Yealm and Salcombe Estuaries and off road cycling on the rugged East Prawle coast! Look out for dates at the end of this article! It is also a busy time of year for involvement with school groups; we have two guardianship groups who join the rangers to learn more about the countryside and wildlife in their local area. It is a great chance for children to explore the outdoors and learn to appreciate what is found on their doorstep.

We are proud of the on-going support we have from the locals in Ringmore, who regularly clean the beach and carry out checks in the area. It is great to have this help, and wonderful to have people willing to keep this stunning section of coastline free of litter. With summer setting in, I am sure I will see more of you out and about around Scobbiscombe and Ayrmer cove enjoying the weather and the fantastic views. If not, then perhaps I will meet you at one of our exciting up and coming events!

#### WARNING

On approximately 5.00pm on 20<sup>th</sup> June, I received a phone call from a man who, in a very aggressive manner, asked to speak to Mr. Lambie. I replied that he was at work. He then became very unpleasant and said "what do you mean, 'at work' he said a week ago that I was to ring him at this time, this evening". I said that I was his wife and to give me a message to which he replied "the Russian Mafia want the £50.00 he owes them", I said that I was quite sure he didn't owe this money and he then said "they can get very nasty you know". I'm afraid I started to laugh and he said "this is very serious Madam", at which I laughed even more and said that I found the idea of my husband being involved with the Russian Mafia extremely funny. His attitude changed a little and he said the Mafia could be quite understanding sometimes and after a pause he said they'd decided to drop the matter. I told him that I was 79 and that I'd found the situation so funny and laughed so much I'd probably have a stroke. He replied that a least he'd made me laugh and rang off. I thought that it must have been a friend having a joke with me and dialled 1471, that told me the caller had withheld their number. Although the Russian Mafia have said they'll drop the matter, they could go back on their word so do we:

- Expect to see a large black limousine come up the drive with two men in it wearing dark suits and dark glasses toting machine guns
- The dog or myself stand the risk of getting kidnapped and held to ransom for the £50.00
- Ask for police protection
- Get a very vicious guard dog
- Should Brian leave home and go into hiding.

We would be most grateful to anyone who has any advice to give us on this matter.

On a more serious note, I found this funny but some elderly person, especially if living on their own, could be frightened and part with money if threatened in a similar way.

Anne Lambie

##### Church Doors

Many thanks to Mike Wilson for much needed painting of the Church doors over the last couple of weeks. They are now once again a vibrant Buckingham Green. The colour is an exact match to that on the topside of the inner door which hasn't been subjected to the elements of wind, rain and sun over past years. I have tried to find out when they were last painted but have failed to do so. If anyone can remember then please let us know. The only information available is that the exterior of the small door in the Chancel was last painted in the mid 1990s.

##### Calling all Artists

With the Annual Church Fete looming up once again I wondered if anyone would like to design a poster for this year's event. As a guide we are currently having the following attractions – Mint Julep Band, Hog Roast, Refreshments, Cream Teas, Bouncy Castle, Family Games, Egg Throwing, Wine Tent and Birds of Prey. Perhaps more prominence could be given to the Birds of Prey this year and further information may be found on their website [southhamshawks@owls.entads1.com](mailto:southhamshawks@owls.entads1.com). Entrance to the fete which is on 29<sup>th</sup> August, starting at 2.30pm will be Adults £1, Children under 16 Free. It would be appreciated if entries could be submitted to [philland-sally@sky.com](mailto:philland-sally@sky.com) by 20<sup>th</sup> July. Posters will be printed in colour, mainly as A4 size, but some could be A3. There are no prizes for the chosen entry. (just testing budding Ringmore artists talent), and if your poster is thought to be most suitable it could be subjected to minor changes to suit the event.

##### Welcome!

We very much look forward to greeting our new Team Vicar, Lesley Valiant, and her husband, who will be moving into Loddiswell during July. We are so grateful to Neil for keeping the whole team in running order until a replacement was found for Mike Jeffries – and grateful also to all the retired clergy who gladly gave their time, and who perhaps will be able to "retire" rather more once Lesley is here.

Phill Errett and Rosemary Piercy

**Money bags**

This year, July has 5 Fridays, 5 Saturdays and 5 Sundays. This happens once every 823 years. This is called money bags. So, forward this to your friends and money will arrive within 4 days. Based on Chinese Feng Shui. The one who does not forward.....will be without money.

Kinda interesting - read on!!

This year we're going to experience four unusual dates.

1/1/11, 1/11/11, 11/1/11, 11/11/11 and that's not all...

Take the last two digits of the year in which you were born - now add the age you will be this year,

The results will be 111 for everyone in whole world. This is the year of the Money!!!

The proverb goes that if you send this to eight good friends money will appear in next four days as it is explained in Chinese FENG SHUI.

Those who don't continue the chain won't receive.....

Its a mystery, but its worth a try. good luck.

# RINGMORE TABLE TENNIS CLUB

Chairman	John Bracey	810646
Secretary	Judy Bull	810420
Treasurer	Frank Williams	810405

As summer approaches, we hope, I would like to remind readers that the table tennis club continues throughout the year on Tuesday evenings, and that guests are very welcome to join the members from 8.00p.m. Attendance by club members is often a little less during the summer period, giving an opportunity for more games for the energetic and opportunities for guests to use the facilities. Two tables are available and we have the option of both singles and doubles matches if desired. The evenings are great fun and new members normally soon attain a good standard of play compatible with the others so please come along and try.

John Bracey

## A BIG THANK YOU

" As a regular user of the new footpath from Ringmore to St. Anne's Chapel I write on behalf of the other users to thank those involved in the attainment of the long term facility that will be available for locals and visitors, hopefully for many years to come. Public footpaths are part of our cherished heritage and though not unique to Britain are abundant here and allow access to many beautiful parts of Britain. Compared with many other countries where landowners restrict walkers from using their land we are very fortunate in having not only owners who give land to enable paths to be provided but also those who permit footpaths on their land. I am aware that much hard work has gone into the provision of the new footpath that, apart from the small sections at Ringmore and St. Anne's, allows a safe and peaceful walk between the two villages and I pay tribute to the Parish Council and in particular to Jem Deverson and Mike Hammond for their persistence over the last three years in bringing this very positive project to a successful conclusion. Walkers I am sure will join me in thanking them and the two land-owners involved, Madeleine Capps for the permissive footpath that is within the Parish and Mr. Cundy who gave the land for the permanent footpath over the remainder of the route. On a personal note I enjoy the country walk to and from the shop twice a week, the only downsides are that I now have to make a diversion to pick up the rubbish from the road and I miss seeing and waving to the regulars who passed me in their cars, and occasionally gave me a lift on inclement days, when I walked to the shop!"

Well done the Parish Council from a grateful pedestrian John Bracey
