**T**hank you to all who turned out to what was a wet ( at times ) very enjoyable day at the Fete on the Monday 26 th August . Thank you as well for all the hard work put in by so many in the village to make the day special.

In keeping with fine tradition we as a community had the wide array of stalls for all the family. Despite spells of inclement weather all refreshments were gratefully and eagerly consumed, cream teas, cakes, hog roast all washed down with a glass of wine or cup of tea. A big Thank you to the ice cream tent, wine tent, Hog roast, Cream teas and cakes.

This year saw the family games reach Olympic status with Alice Thornton and Perry Ness overseeing Foam Javelin and photo finish sprints not forgetting the Dog and Owner Race. The tug of war for Adults and children alike was seriously undertaken and hugely enjoyed by all. The fete culminated in the traditional egg throwing contest as always providing the totally spell binding entertainment that only a slow motion egg in air before impact can bring!!!!

( many thanks to Andy King for organising this for us.)

All along side the centre stage thank you to all the stalls, bric a brac, books, RBL, Wine bottle game, splat the rat, horse racing, football shoot out, skittles, crockery smashing, balance the penny, face painting, jewellery, handbags, cards, children's activities, Tombola and Raffles, Thank you for the live music from Mint Tulip keeping us tapping our toes.

As this is hastened to print, we are still computing the grand totals, so once again, thank you all, especially a big thank you Phil for organising this day and so many before it. Special thanks go also to Holywell Stores, and to all those who helped with the use of their vehicles, tractors and trailers, thanks go to all involved in getting the field ready, setting up, putting up the marquees, and then taking them all down again and clearing up! Thank you All.

Happy Reading and enjoy the photos

# Church Services and thought for the month

Dear Friends,

Here in the middle of August, as I write on the last day of the Olympics, there is a word which seems to be heard much more frequently; the word is "legacy". What will be left behind when it is over? People are wondering what difference the London Olympics will make to the future. Is it all over bar the shout-

ing; simply fun while it lasted, or will there be a continuing impact on attitudes, education etc.? Perhaps as you read this, a month later than I write, you can see more clearly than I can whether there will be a legacy or not.

Many churches will soon be celebrating harvest. Instead of wondering about the future, we will be looking back into the past and giving thanks for what has happened. Someone sowed the seed, reared the animal or harvested the sea, someone transported it, prepared it or sold it and because of what they have done we are able to enjoy the legacy

of harvest. We look back through the links of this chain and see the legacy of God in his creation. Check this magazine for the date of your harvest.

What legacy will you be leaving behind? What difference are you making? What will be the harvest of the words and deeds that you are sowing? You may have made your will and decided how you want to distribute what you leave behind when you die, but there's an old saying which suggests that we shouldn't think that a legacy only happens after death.

It goes like this:

Do your giving while you're living; then you're knowing where it's going.

May God bring blessing through the legacy you leave.

### THANK YOU – Church Fete

For one more time, as this was the last fete I was managing, and on behalf of All Hallows, I would like to thank everyone who contributed in so many different ways to the Fete on August Bank Holiday Monday. What could have been a disaster, due to the weather, turned out to be a very successful afternoon. **Phill Errett (Church Warden)**

The Chairman had submitted the annual return to the Audit Commission in order to meet the deadline and had advised the Commission of the death of the Responsible Financial Officer.

14/12 **DISTRICT COUNCILLOR'S REPORT**

BC reported that SHDC had adopted the new code of conduct after some debate about the need to include spouse's details.

BC also reported on progress with the Town and Parish Fund (TAP) and the process for selecting successful bids. MH tabled as an example a successful TAP bid by a consortium of Yealm valley parishes for help with dementia care.

It was noted that the Boundary Commission was about to undertake a review of local election wards because some 30% of parishes had experienced a variation of more than 10% in their electoral roll. The intention was to try and establish an equal number of electors per candidate.

It was noted that the Government had decreed that Council Tax benefit had to

be reduced in order to make substantial savings. Pensioners were to be excluded from the review of this benefit and thus the options were limited.

The next cluster meeting would be held in Kingston on 16 October 2012. Councillors were invited to submit topics for discussion to BC.

**15/12 ANY OTHER BUSINESS**

**15.1 Footpath to Bigbury**

JD reported that there had been complaints that the new footpath to Bigbury was becoming overgrown. He had tried to cut the grass with an inadequate trimmer and felt that the task needed a more appropriate machine. The meeting debated the merits of buying a push-propelled trimmer mower at a gross cost of £899 (net £750 approx). It was appreciated that this could not be approved immediately because it had not been included on the agenda. However the mowing of the footpath was now urgent. It was agreed that the grass-cutting contractor be asked to quote to mow the footpath and JP would meet him to explain the task.

*Secretary's note: JP did meet the contractor on 1 August to inspect the path and found it had been cut, but the contractor will quote.*

This matter would be discussed again at the September meeting and Bigbury PC would be approached with a view to sharing the cost.

**15.2 Retention of Records**

MH had details of Parish Council records to be retained. Records were currently in the WI hall and would be moved into storage. MH and JP would meet on 6 August 2012 to pack up the records for retention.

#### Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). For this reason we have decided to start a prayer chain, and this is how it works -

If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying.

Details will be kept confidential at all times.

Rosemary Wilson 810211,	Judy Bull 810420,
Jenny Williams 810851,	Alison Wynne-Powell 810407,
Mary Wilson 830280,	Sally Ness 810639,
Gill Tomlin 810028,	Drina Williams 810405,
Sally Errett 810547,	
Alice Thornton 810284,	

We have been overwhelmed by the kindness and help we have received in so many ways, both before and during Stan's stay in hospital. Thank you all so much. Stan is now home, and happy to be back in this caring village.

### ART HANGEL

An adaptation of a Robert Harris novel set in communist Russia. Dr Kelso ( Daniel Craig) discovers a dangerous secret about Stalin's legacy which could change the face of Russian history.

\*\*\*

A tense and exciting drama, don't miss it!

\*\*\*

Proposed changes to The N.H.S

The British Medical Association has weighed in on Prime Minister David Cameron's health care proposals. The Allergists voted to scratch it, but the Dermatologists advised not to make any rash moves. The Gastroenterologists had a sort of a gut feeling about it, but the neurologists thought the Administration had a lot of nerve. The Obstetricians felt they were all labouring under a misconception. Ophthalmologists considered the idea short-sighted. Pathologists yelled, "Over my dead body!" while the Paediatricians said, "Oh, Grow up!" The Psychiatrists thought the whole idea was madness, while the Radiologists could see right through it. The Surgeons were fed up with the cuts and decided to wash their hands of the whole thing. The ENT specialists didn't swallow it, and just wouldn't hear of it. The Pharmacologists thought it was a bitter pill to swallow, and the Plastic Surgeons said, "This puts a whole new face on the matter...." The Podiatrists thought it was a step forward, but the Urologists were pissed off at the whole idea. The Anaesthetists thought the whole idea was a gas, but the Cardiologists didn't have the heart to say no. In the end, the Proctologists won out, leaving the entire decision up to the arseholes in London .

## Bigbury, Ringmore & Kingston Branch – 2310

### Royal British Legion

June 30<sup>th</sup> saw the annual Armed Forces Day parade, this year hosted by Plymouth. Our Chairman Steve Jones and Standard Bearer Brian Lambell, accompanied our branches standard at the ceremony on Plymouth Hoe which was attended by over 1200 service personnel, veterans and cadets.

Prime Minister David Cameron and the Earl of Wessex were among the guests at the celebrations, with Prince Edward taking the salute from those marching.

The Royal Navy frigate HMS Argyll also performed a steampast through Plymouth Sound and fired a 21-gun salute in his honour.

Adm Sir Mark Stanhope, First Sea Lord and Chief of the Naval Staff, said he was delighted at the support given by the thousands of well-wishers.

"People across the country from all ages and backgrounds have a deep respect and appreciation for the armed forces, and Armed Forces Day is an excellent opportunity for us all to let our men and women realise how much they are appreciated," Sir Mark said.

"It is from our society that our armed forces are drawn and from our society that we draw our strength."

Our next branch meeting will be held at the Journey's End, Ringmore at 19:30hrs on Wednesday 5<sup>th</sup> September 2012. As always, it is open to anyone who wishes to attend.

#### Dates for your diary:

## W.I. News!

"What is...?" "Who is ...?" "When did it happen?" These are some of the questions tackled at the Ringmore W.I. Curry and Quiz Night at the beginning of August.

Eight teams of six filled the W.I. Hall and began the evening enjoying a selection of delicious beef, chicken and vegetarian curries, supplied by chef Matt from Parkdean; everyone had their fill.

After supper came the quiz, put together by Robbie McCarthy. The questions everyone think, and there were the usual "Oh's" and "Ah's" as the answers were read out by the Quiz Master. The scoring was very close, but the final winners were "The Wet Ones" team who won with 70 points, two points ahead of "Thatchers's Gold" and "Anna's Lost Chord". Jackie Tagent, President of Ringmore W.I., presented each member of the winning team with a mini box of chocolates.

As Mike Wynne-Powell's picture shows, it was an evening greatly enjoyed by all.

At our next meeting on Thursday 13<sup>th</sup> September we welcome Seth Ward and his group who are going to entertain us on their ukuleles. The meeting begins at 7.30 pm.

**A**ugust is one of the busiest months for the National Trust ranger team, with the holiday season in full swing. Ensuring the car parks are looking their best is one of our main priorities, and this has kept us busy over the last few weeks.

An important job at this time of year is cutting the many footpaths on National Trust land. The majority of this work is done by contractors, with additional work carried out by the rangers. It certainly gives us the chance to perfect our strimming technique, and it has the advantage that we get to enjoy some stunning clifftop views during our lunch break while we're working on the coast path!

Another task keeping the rangers busy is controlling Common Ragwort, which is poisonous to horses and cattle. The plant spreads quickly – ragwort is self-pollinating and produces up to 1,700 seeds per plant with three generations in a year. The National Trust policy is to control the spread of the plant by pulling it by hand, and then disposing of the plants by burning. Ragwort will re-grow if the root is left in the ground. To minimise the risk of this, we attempt to pull when the ground is soft after rain. The National Trust rangers have been assisted by teams of contractors to work in areas where ragwort is particularly abundant, such as at Wembury Point.

Earlier this week one of the rangers, Emma Reece, along with Intern Emma Cary, met Martin Hesp from the Western Morning News at Ayrmer cove. Martin is writing a two-page article on Ayrmer for the paper, to be published on Saturday the 18<sup>th</sup> of August. It should be available to read online too.

Work has continued at the community orchard at Ringmore. The fruit trees are doing well, and the orchard has benefited from a recent cut to control the nettles and brambles.

**Cream Tea Party at the lazy Cow Coffee Shop, 26 th  
August 3.30 pm  
raised £1555.00 for Devon Air Ambulance Trust .....  
Congratulations Emily, Lucy and Team!!**

What a turn out for the World Record breaking attempt for the Biggest Cream Tea Party all in aid of Devon Air Ambulance Trust. Emily and Lucy were up at 7.00 am baking a staggering mountain of 500 scones to go with the delicious Clotted Cream supplied by local Langage Farm. The whole event raised £1555.00 in aid of DAAT who are this year celebrating their 20th Anniversary. There was a fantastic turn out for the Cream Tea Party organised in just 2 weeks. In fact, the whole event was just 30 cream teas short of the world record, ( meaning at least just over 300 cream teas were consumed ! ) The whole of the Lazy Cow coff was packed with people. It was a thoroughly delicious time to be had by all. Spurred on by this success, Emily plans another Cream Tea Party next Year, how exciting to know the World Record is really not that far off from coming to Devon, its true home. Well done Emily, Lucy, Family, Friends, helpers and volunteers on the day, and last but not least all the Cream tea pundits who made it happen. ....Watch this Space !
