Church Services and *thought for the month*

Dear Friends,

We are now in Lent and I want us to be encouraged to keep our observance of Lent as a time of abstinence, alms-giving, studying God's word and reflection.

When we voluntarily forego some of the privileges of our affluent society we express our solidarity with the poor. In a world of plenty we stand with them against the evil of poverty in the world.

Some of us may have decided on a period of fasting or abstaining from certain foods, while others have taken up daily Bible study, or attending a Lent course. It is as we undertake these acts that we come to know our poverty and need of repentance before God, and our dependence on the graciousness of our compassionate Lord.

Lent is a time when we look to be more like Christ, as we discover His ways for us in our Bibles and walk closer to them in our daily lives.

Some may call it 'taking up our cross', but Jesus does not speak of passive suffering but of an active daily commitment to follow Him.

The cross is an awesome symbol which is about giving everything up out of love. For the faithful, taking up the cross is about being 'like a tree that is planted beside the flowing waters' (Ps. 1:3). It means actively seeking to become the person God calls us to be; refusing to be caught up in the false promises and deceptive rewards of our culture, but patterning ourselves on Christ in order to be fully alive. The Christian cross is first and foremost a symbol of forgiveness and new life.

Our task this Lent, as every year, is to try to narrow the gap between the path that our lives are currently going, and the way Christ shows us to live; finding how we can best walk with Him and serve Him in the year ahead.

My best wishes as you journey through Lent,

Terry Valiant

MINUTES OF A MEETING HELD ON 19 FEBRUARY 2013

The meeting was preceded by a minute's silence in memory of Alan King, lifelong resident of Ringmore who carried out many good deeds for the Parish.

18/13 COMMENTS FROM MEMBERS OF THE PUBLIC

Traffic speeding through Challaborough

Dr Malcolm Findlay addressed the meeting with the concerns of the Challaborough Residents' Association about the speed of traffic through Challaborough. It was felt it was only a matter of time before there was an accident involving pedestrians crossing the road, especially at peak holiday times.

It was noted that the speed bump had been removed by DCC. MH responded that the PC was aware of the problem and it would be raised at the next parish cluster meeting. Bigbury PC would be at that meeting and Bigbury and Ringmore councillors would try and agree a common approach to the problem.

Derriford or kept everything calm and under control while waiting for the ambulance.

We are very lucky to have such good friends and neighbours in Ringmore especially in times of need.

Tony and I would like to say a big thank you to the Ringmore folk who so kindly helped us during Tony`s recent spell in Derriford Hospital. Our special thanks to Sandy Hammond, James Parkin, and Michael and Jackie Tagent.

Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). Over the past few months many have felt the need and benefit of the prayer chain. If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. Details will be kept confidential at all times. Flower Festival - June 7th to 9th

Arrangements for the Flower Festival in conjunction with the Ringmore Women's Institute are in full swing. There will be a Gala Concert on the Friday evening (ticket only) and a Festival of Praise service Sunday evening at 6 pm. Coffee, light lunches and teas will be served in the W. I. hall during the Festival. Offers of help for the event would be appreciated.

Electoral Roll

Every 6 years instead of the existing parochial electoral roll being revised, an entirely new electoral roll needs to be compiled, 2013 is such a year. New forms along with a covering letter will be issued shortly to all those on the current register. If any one who is not currently on the electoral roll wishes to register then please contact Phill or pick up a form from the church vestry.

New ! Lent Course Thursdays 7.30 pm at Barnford. Ring Judy Bull 810420 for details.

Walking Arymer Lane, NOT Smugglers Please

I found the mud up to my Knees
It never, ever got that way
When riding our horses there each day
Horses hooves never did such damage
As Walkers huge boots now seem to manage.
So is it possible, with a gentle prod
Instead of wearing boots ,
they all get shod?

Anne Lambell

P.S. Thanks to Rosemary Piercy for giving me the inspiration to write the above poem!

With spring on its way, and the weather slowly improving the majority of the damage caused by the heavy rainfall is being dealt with. In the last newsletter we mentioned that there was a large amount of flooding below Manor Farm, Ringmore. This had caused fencing to be damaged in the area, the fencing has now been taken down ready for contractors to repair the footpath and replace the damaged fencing.

Ringmore volunteers have helped with hedge laying at smugglers lane, leading to Arymer cove. This has again opened up the stunning views to the cove even further.

On the 21st the conservation volunteers had a beach clean at Ayrmer Cove. The team worked hard removing the abundance of plastic which had been washed ashore from the previous stormy weather. The beach is now looking a lot cleaner thanks to the team.

The rangers are now looking forward to the up and coming spring, and planning this seasons events for South Devon, including canoeing events in May at Wembury and on the Salcombe estuary, and bug hunts at Overbecks in June. We will keep you informed and give you more information closer to the time.

February 14th, 2013-02-21

For the February meeting Ringmore WI were pleased to welcome a new member, Hazel Osborne, before welcoming our speaker, Nicola Fox, who came to give us an enlightening insight to the history of the Cookworthy Museum.

Nicola has been a volunteer at the museum for 12 years with roles that include Hon. Sec. and Administrator, having originally applied for voluntary work experience after university.

In 1670 Tom Crispin, having been successful in the cloth trade in Exeter, endowed a grammar school in Kingsbridge for the poor children of the town. This later was to become fee paying. He also gave £1 for a treat for trustees on Midsummer Day.

William Duncombe added a further bequest for the school.

In 1720 Silvanus Bevan gave William Cookworthy of Dodbrook an apprenticeship. In May 1972 the 'Museum of Rural Life' opened with support from English China Clay. There is a fine collection of early china still to be seen. Further collections of farm machinery, costume and pictures are also to be seen.

In 1982 ECC made an endowment and the Cookworthy now runs with grants funding and makes a small charge for en-

trance. There are 60 volunteers, one full time employee and some paid administration staff, plus a curator of 'decorative arts' who oversee the running of this delightful museum, using regularly changing displays with the support of Plymouth Museum. There are eight galleries and three displays changing every few years.

There is also a facility to scan photos, make resources available for public use, tithe maps, parish records etc. With the use of a computer and a website, they hope to increase the oral history of the area. Having had a refit in 1998 and the plan to update with solar panels, the museum is looking forward to the possibility of employing a graduate to take things forward.

Nicola brought an eclectic selection of artefacts, plus dolls, their clothing and 'Sunday toys', two albums of photos which prompted great interest.

Thelma Mann, one of our visitors, was able to give further information on the use of the buildings in more recent times, her brother in law, Sam Mann, having bought the Old School House in the 1960s as a family home.

Bigbury, Ringmore & Kingston Branch – 2310

Royal British Legion

It is with great pleasure that I announce on behalf of the branch that at the Devon County Meeting in January, Bigbury, Ringmore & Kingston Branch RBL were the winners of the Cameron Webb Trophy. This annually awarded trophy was presented to our Chairman, Sean Jones, and is for the branch that is judged to have been the most efficient in the County of Devon, specifically for our continuous fundraising activities. The Trophy is on display at Holywell Stores at St. Anns Chapel along with the certificate. Our thanks must of course go to Dane and Hilary for hosting it. If you get to look at it you will see that the branch was also the first to receive the award in 1957 so it has taken 55 years to return to this branch, and not before time. The real winners of this award are the generous people of the three parishes... YOU! So give yourselves a huge pat on the back and from us, a massive congratulations and well-done.

We are certainly not going to be sitting back on our laurels and our fundraising is continuing to progress nicely, with a prediction of exceeding last year's total, by a small margin. This currently stands at £9,750, so only another £252 to go to beat last year's total of £10,002.

As a branch project, we have decided that this year we will put our efforts into refurbishing the war memorials. Lest We Forget.

At our last Meeting it was decided to reduce the number of meetings we have, especially during the spring and summer period. To that end here is a list of the revised meeting dates for the rest of the year.

The WI had a talk by Mr German on the Devon Dialect. Approval was given for Parascending to take place in Challaborough. A scratch Darts Team from the JE defeated the "crack" league team from the Royal Oak. The Inter- Parish Quiz team met Wembury in a two legged first round match. Adrian Muller excelled in a round of love songs, Reg Trant like wise in Europaena Geography but alas , Wembury won 158—113 overall.

10 Years Ago

Emily and Andrew were a month in at the Journeys End . The WI heard all about the Night Traders , "Smugglers" and RHS learnt about the Bantham Dig. A Bottle Bank and Paper Bank were requested to be placed in the Journeys End Carpark. The WI were let lose with the Groups from AG and Loddiswell to watch the Holiday on Ice show at Westpoint Exeter —an excellent time was had by all!
