Dear Friends and Neighbours,

This letter celebrates harvest – a time or times of thanksgiving. The first to appreciate this year is the bumper crop of visitors to the West Country and crowded beaches, because of the number of sunny days. While travelling in northern France we saw fields full of sunflowers, some of which will make their way to bottles of cooking oil, and vineyards too, ready for a later harvest of light white and rosé wine. Some local farmers have already begun using combine harvesters to gather in wheat and barley.

In the past our globalised world praised God for the abundance of the harvest, which from seed scattered in handfuls grew to provide enough for families and whole communities. It was a communal effort to gather in and celebrate. A Harvest Thanksgiving service was a bigger occasion, with the church building decorated with produce. The multiplication of seedtime and harvest was seen as Gods' arithmetic. Part of the story of his love for mankind. Could it not be the same for you this year?

Christ saw in the story of the fields, crops and animals a symbol of the generosity of God's love. As we have received so we are asked to give. In the Communion Service (the Eucharist – which means thanksgiving), we see how God takes what we have to offer and transforms it into an enormous harvest of love for our community and for the world.

### RINGMORE PARISH ROOM UPDATE

The external work on the Parish Room has now been completed. The new handrail will be fitted in a week or two. Do have a look if you are passing, as I am sure you will notice a bit of a difference!

There is still a lot to do; we need to remove some more of the spoil, clear some rubbish and generally tidy up the site. Once we have done this we will try and landscape the land round the hall and hopefully find some plants that will grow in the rubble. The exterior needs painting and when all that is done the interior paintwork could do with touching up. I hope, as in the past, that there will be a willing band of volunteers to help, and I will be arranging some dates early in September. The Saturday film shows will be starting in the Autumn and the first will be on October 26th - film to be announced. We look forward to your continuing support.

On a beautiful August evening, the W.I. held their annual Charity Supper. The marquee was erected by a team of husbands, tables and chairs set out, and the ladies turned it all into an attractive setting with flowers and coloured tablecloths.

Nearly seventy people enjoyed the delicious supper, which included salmon, ham and coronation chicken, followed of course by the usual selection of scrummy Ringmore puddings made by members. There was an excellent raffle, with various prizes, including vouchers from The Pickwick and Journey's End.

The profits from the evening are being shared between the Alzheimer's Society and Kingsbridge Foodbank, the charities selected for 2013. Jackie Tagent thanked everybody for all their help, especially Sally Errett who had organised the event.

Our next meeting is on Thursday 12<sup>th</sup> September in the W.I. Hall, and visitors are very welcome at 8.00 pm when Michael and Ann Oakins will be telling us about their adventure in driving their specialised little car Land's End to John O'Groats.

I hope you are all enjoying the summer and that the children are enjoying the school holidays. If any of the Kids are getting bored how about trying to complete all the 50 things to do before you are 11¾. Have a look at [www.50things.org.uk](http://www.50things.org.uk) for some inspiration.

Many families enjoyed bug hunting with Ranger Lorna at Overbecks in Salcombe over the weekend. The Bug Hunters explored the house gardens searching for minibeasts and then headed out into the woodland behind the house to try their hand at pond dipping and butterfly catching. The groups caught plenty of tadpoles, newts, freshwater shrimps and dragonfly larvae, with even a few of the adults managing to catch a butterfly in the nets. All were safely released.

A team of Natural England volunteers joined intern Rebecca Eddy for a day of ragwort pulling at Wembury Point this month. The group usually volunteer at Yarnar Wood and East Dartmoor NNR. Rebecca used to volunteer with this group, 'it was great to have their help, and to share the sites I now work on. They did a brilliant job and really helped us blast through this task.' The volunteers were then treated to a BBQ at the volunteer accommodation as a thank you for their hard work.

Rangers Lorna and Marc had an enjoyable time at Yealmpton show talking to people and helping children make kites from plastic bags and drawing pictures. The children loved organizing the snail races and lots of noise was made as we cheered each snail on.

The fence line has now been moved back on the coastal path to the west of Ayrmer cove. This will enable the path to be moved in away from the cliff edge which has been suffering from erosion due to the winter flood damage. This work was funded through the Great South West Walks and the RDPE, as part of the 40<sup>th</sup> Anniversary of the South West Coast Path, as well as through funding from the National Trust.

At the beginning of September we will be undertaking some path and drainage improvements to Ayrmer Lane (the footpath leading down to Ayrmer beach from the car park). Unfortunately a drainage pipe has broken under the path and so we will be using a mini digger to re-new this section of pipe. Please look out for any warning notices and we apologise in advance for any inconvenience this may cause.

On Sunday 18<sup>th</sup> August the Ringmore Orchard Volunteers will be joining Ranger Joel for a day clearing vegetation and installing a bench. The fruit crop is looking good this year – so the group are looking forward to pressing the apples later in the autumn

**A bench ready for visitors  
after the walk up the hill**

### The Orchard

On Sunday 18th August, a group of local volunteers, led by National Trust Ranger Joel Wakeling, made further progress on the renovation of the orchard, planted early in the last decade with traditional West Country trees, and which is accessed from the permissive footpath, at the signpost near the top of the wood across the valley from Lower Manor Farm.

The team successfully cleared the previously installed footpath and steps to and through the orchard, which contains fruit trees such as Winter Stubbard, Paignton Marigold, Cornish Pine and Upton Pine variants of apple, as well as wild pear, cherry plum and crab apple trees. After an initial heavy strim through the orchard, the bases around all the trees were cleared of vegetation to allow each tree the best opportunity to thrive. All the trees were label tagged with their specific varieties, and, at the top corner of the orchard, a bench was installed to allow visitors

to rest a while and enjoy the view back across the valley to Ringmore.

Thanks for their hard work go to Andrew, Sarah, Judith, Andi, Perry, Joel and his Dad, John, and to Jane for the welcome refreshments as well as her work on the ground.

We hope that Parishioners and visitors alike will enjoy a walk to the orchard, and the views it offers.

## Bigbury, Ringmore & Kingston Branch – 2310

### Royal British Legion

What a glorious summer we have had and I must say it has been a long time coming. Our branch, although not holding meetings during the last few months, has still been active.

We currently have a project in hand to renovate the War Memorial in the churchyard of St. James The Last in Kingston. Working in conjunction with Kingston Parish Council, we have set the wheels in motion to source grants for the work to be carried out by recognised stonemasons. The cost of renovation/cleaning is in the region of £700. Luckily, we have had a positive response from the War Memorial Trust for 50% of the cost, dependant on the submission of a fairly in depth application, which left us with the remaining 50% to be sourced from somewhere else. I am pleased to announce that at the Annual Cricket Match between Kingston and Modbury, the proceeds of the collection made at that match, was donated to the renovation work. A total of £351.97 was made which has put us well on track to get the necessary work done. Of course there are a number of people that must be thanked for this, not least of all, to Alison & Richard Sanderson who hosted the event and agreed to the money raised to go to this project. To Tony Walters, our Poppy Appeal Organiser for providing the tent, to Nick Oatway for providing a tent and his excellent BBQ expertise, to Geoff & Pete Smith for providing the barrels of beer, to Charles Baughan for providing his fantastic Westaway sausages, to Darren Neil on an excellent job as the groundsman and of course the ladies and gentleman of both Kingston and Modbury that played or supported their teams. A very BIG thank you to you all.

This year's Remembrance Service will be held on Sunday 10<sup>th</sup> November 2013 at All Hallows Church, Ringmore.

The next meeting will take place at 19:30hrs, Wednesday 4<sup>th</sup> September 2013 at The Dolphin Inn, Kingston.

### Paris or Bust

Our son, Derek, Crookes, has just completed a gruelling charity cycle ride.

One of a team of 12, Derek was asked by a friend if he would be interested in cycling from London to Paris to raise money for Alzheimer's research. As both their fathers suffer from dementia and Alzheimer's, he agreed straight away. After talking to more friends, some as far afield as Scotland and Australia, they started training in January.

Leaving Trafalgar Square on 1st August, they cycled 65 miles to Newhaven. Day 2 saw them boarding a ferry to Dieppe followed by a 40 mile trip to Forges-les-Eaux. Day 3 was a very challenging leg of 88 hilly miles to Clergy-Pontoise. During this stage Derek came off his bike, badly cutting his elbow and bruising his hip but all credit to him for finishing the day. Day 4 saw them cycling 40 or so miles to the finishing line, the Eiffel Tower, where family and friends waited to welcome them.

So far the team have raised over £23,000.00 and it is still rising. The Paris or Bust website will stay open for donations until December./

## All Hallows Church, Ringmore

### August Village Service

The August village service was led by Rosemary Piercy with Gilbert Snook giving an excellent talk. Four members of the congregation gave short but moving testimonies on how they had come through great challenges in their lives with the help of God. Everyone agreed that it was a very enjoyable service. If you have a testimony that you would like to give at another village service then please let Rosemary Piercy know.

### Harvest Festival

Our Harvest Festival this year will be held on **Sunday 6th<sup>d</sup> October**. The Harvest Festival Service will be held in All Hallows at 9.30am and will be conducted by Michael Tagent. The Harvest Festival Lunch will once again be held in the Ringmore Parish Room at 12.30 for 1.00pm. Tickets will be on sale shortly so please watch out for the notices. We hope once again that All Hallows will be decorated with an abundance of flowers, fruits, vegetables and non perishable food items. Please note that this year we will be forwarding perishable food to the Korniloff at Bigbury and tinned and non perishable items to the Kingsbridge Food Bank. Thank you in advance for any item you can give as it has been an excellent summer and harvest.

### Prayer Chain

From time to time, most of us feel the need for prayer (whether or not we go to church). Over the past few months many have felt the need and benefit of the prayer chain. If anyone has a prayer request, they can phone one of the numbers below and give details of the request (as much or as little detail as they wish). That person will then phone the next person on the list and so on - ensuring at least ten people are praying. Details will be kept confidential at all times. You are driving down the road in your car on a wild, stormy night, when you pass by a bus stop and you see three people waiting for the bus

- An old lady who looks as if she is about to die.
- An old friend who once saved your life
- The perfect partner you have been dreaming about.

Which one would you choose to offer a ride to, knowing that there could only be one passenger in your car?

This is a moral/ethical dilemma that was once actually used as part of a job application. You could pick up the old lady, because she is going to die, and thus you should save her first. Or you could take the old friend because he once saved your life, and this would be the perfect chance to pay him back. However, you might never be able to find your perfect partner again.

The successful candidate who was hired (out of 200 applicants) had no trouble coming up with his answer. He simply answered: "I would give the car keys to my old friend and let him take the lady to the hospital. I would stay behind and wait for the bus with the partner of my dreams."

## Crab & Asparagus Risotto with Tomato & Apple Salsa

### Ingredients

2 Crab Claws per person  
400g Crab meat  
1 tbs olive oil  
1.25l Fish Stock  
30g unsalted butter with 50ml olive oil and 1 tspn  
1 small onion, finely chopped  
440g Arborio rice  
200ml white wine  
1 tbs lemon juice  
1 bunch fresh asparagus, diagonally sliced  
Chopped parsley  
Grated parmesan

### For the Tomato & Apple Salsa

Finely dice 2 medium tomatoes and 1 Pink Lady Apple and mix with 50ml olive oil and 1 tspn chopped Coriander

### Method

Crack the crab claws, remove all the shell, but leave the claws whole and set aside. Heat half the butter in a frying pan over a low heat. Add the chopped onion and cook for 1-2 minutes until soft. Add the rice and stir to coat the grains. Add the wine and cook for a further 2-3 minutes. Add the stock a ladleful at a time, allowing each to be absorbed before adding the next. Continue stirring constantly for about 20 minutes until all the liquid is absorbed and the rice is cooked but still firm to the bite. Gently stir in the crab meat, asparagus, lemon juice and parmesan, season with sea salt and black pepper to taste. Melt the remaining butter and gently fry the whole crab claws for about 4-5 minutes turning regularly. Divide the risotto amongst the serving dishes and top with extra parmesan shavings and place 2 crab claws for each person on top. Sprinkle with the chopped parsley and add the tomato & apple salsa round the edge of the dish. This very popular dish is a delicious taste of the sea and we hope very much that you enjoy it at home as much as the Shacklers do here!!

My partner and I have been looking into adoption.

The adoptees in this country all display certain behaviours, or they can't be placed in a particular environment or with particular people.....

So, we have turned to Greece where all the adoptees are just grateful for a home. We are about to adopt a little girl who is deaf with very crooked teeth.

I am talking about a dog by the way and if anyone is interested in adopting either a cat or a dog (similar sort of price to rescuing an animal in this country) you can look on the Paws in Poros Facebook page or ring me on 01548 810894
