Dear Mr Gmishaw,

In the Devon F.H.S. Bk 1986 I  
saw you were researching the name  
Randle.

My husband is a Tribble  
descendant, & his g.g.g. grandmother  
appears to be Elizabeth Randle,  
wife of James Treble of Kingston.  
From the marriage cert. in 1840, of  
Thomas Furneaux Treble to Susan  
Squires, we know his father was  
James Treble.

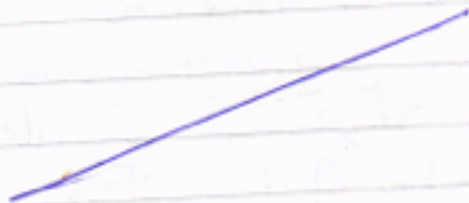

I wonder if you would be kind  
enough to correct or enlarge this  
tree. I should be very pleased to  
buy any booklets or literature  
on the district or people concerned,  
if any is available.

I have marked our position on the  
tree in red ink

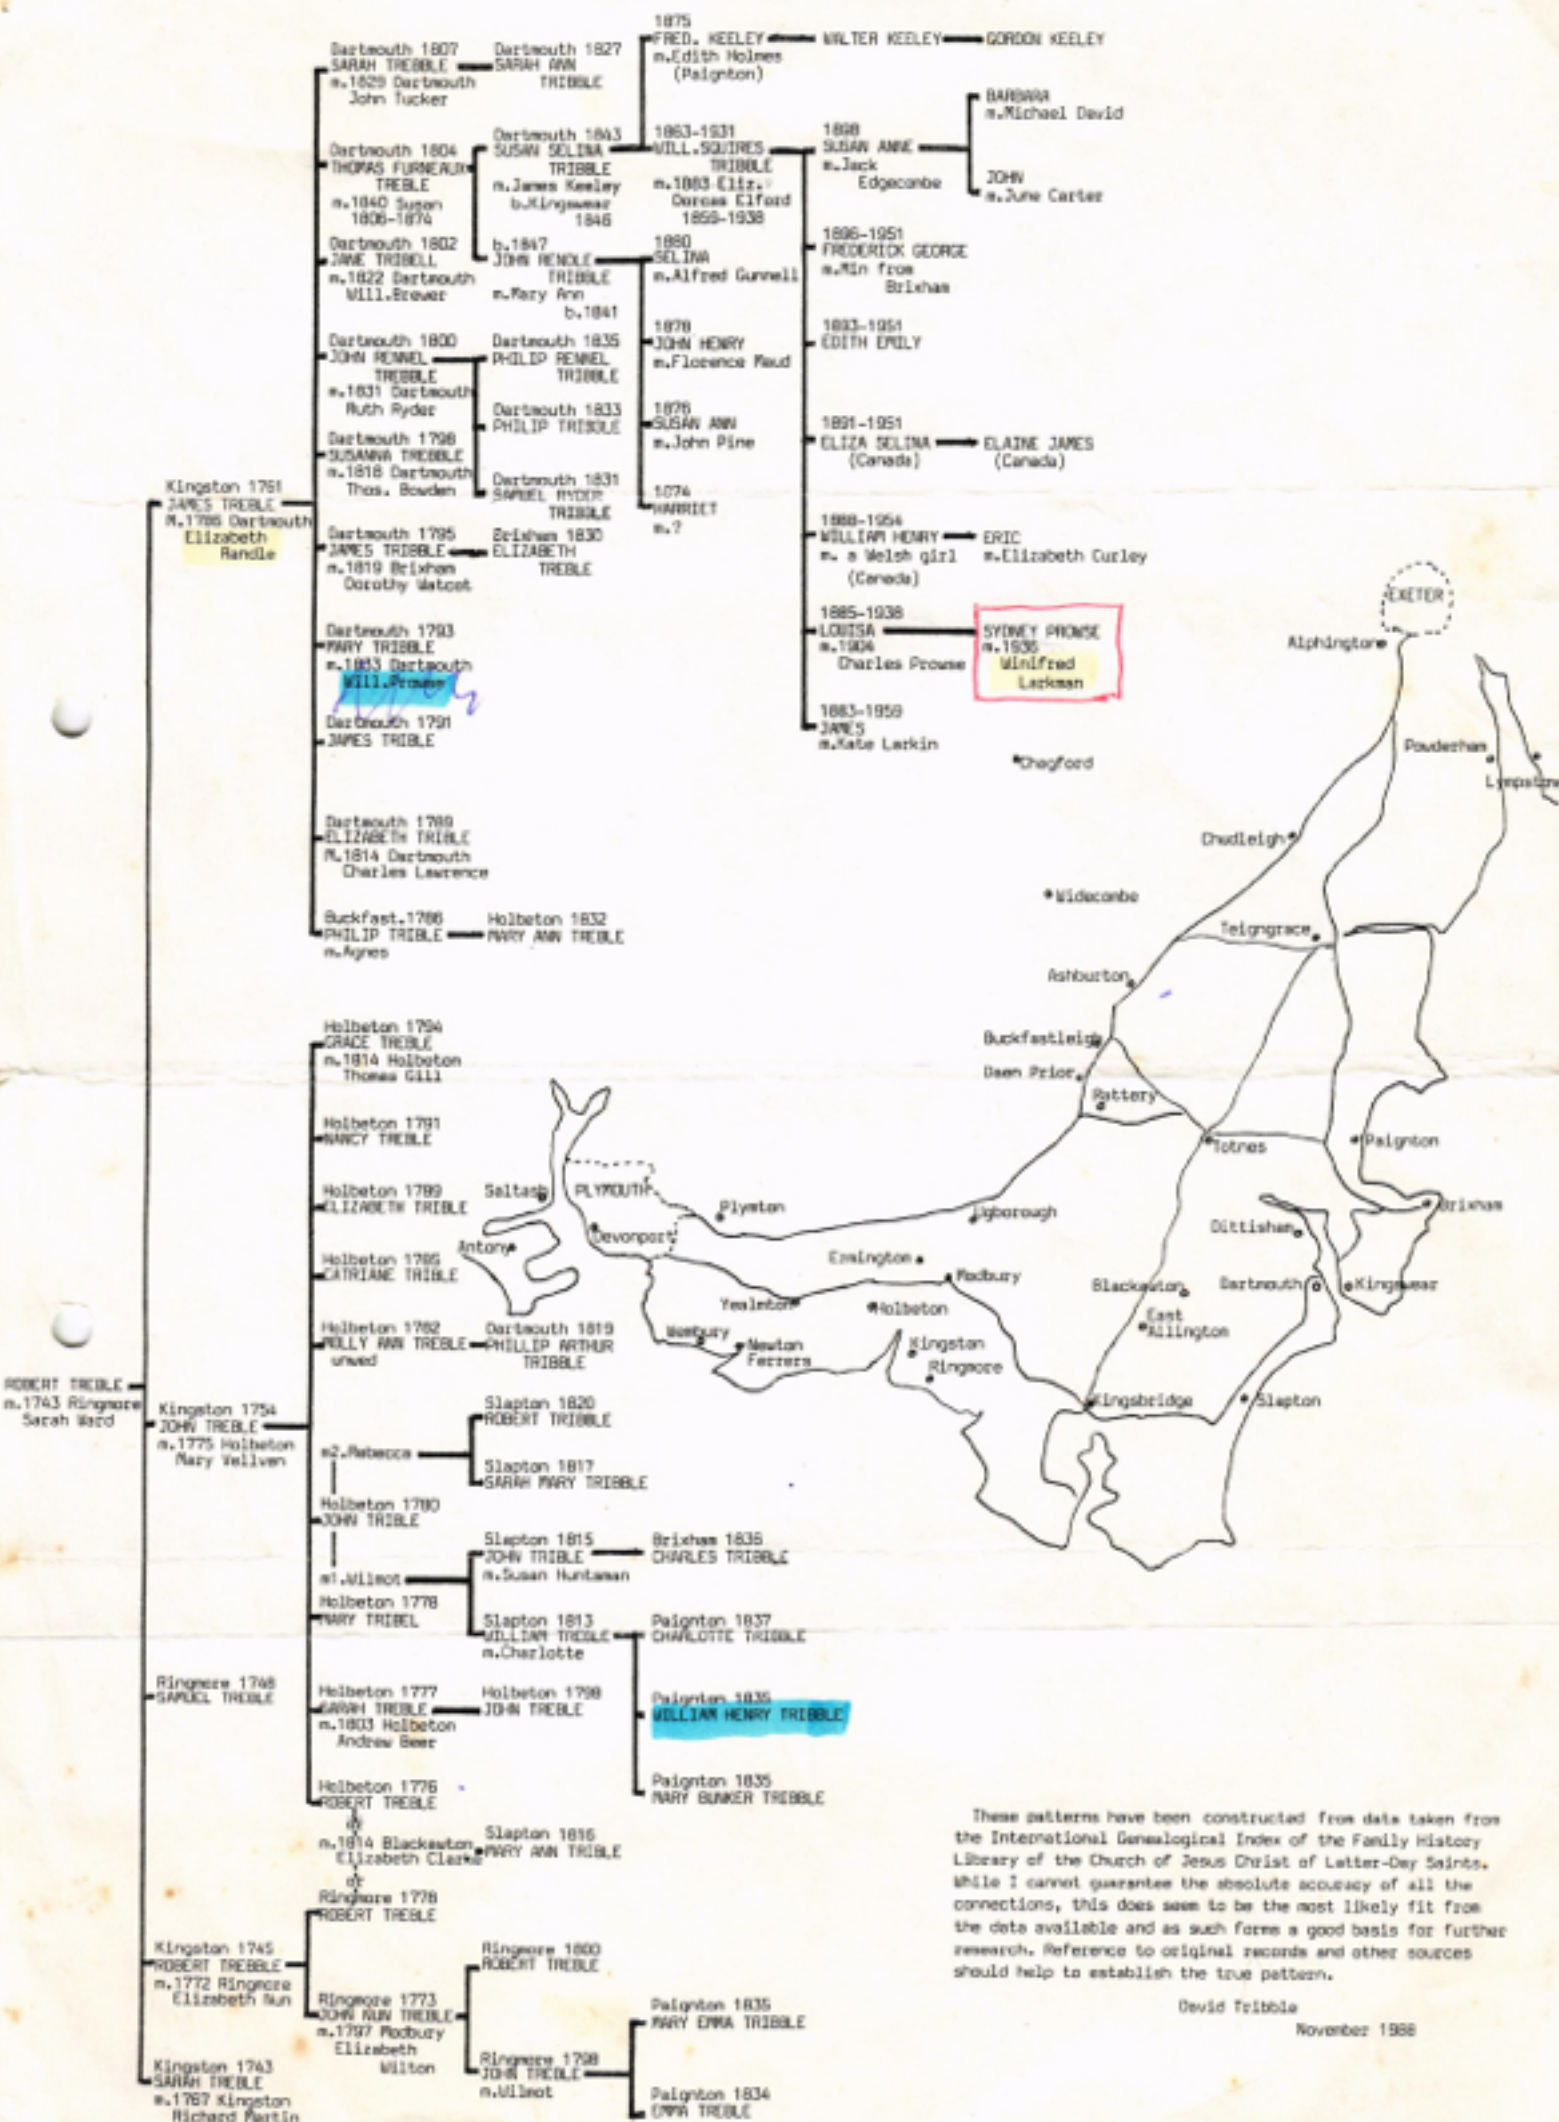

With every good wish

Sincerely yours

Whitrowse (Mrs)

A SOUTH DEVON THIBBLE TREE

These patterns have been constructed from data taken from the International Genealogical Index of the Family History Library of the Church of Jesus Christ of Latter-Day Saints. While I cannot guarantee the absolute accuracy of all the connections, this does seem to be the most likely fit from the data available and as such forms a good basis for further research. Reference to original records and other sources should help to establish the true pattern.
